

DE COLORES

1. De colores, de colores se visten los campos en la primavera.
De colores, de colores son los pajaritos que vienen de afuera.
De colores, de colores es el arco iris que vemos lucir.

Estribillo

Y por eso los grandes amores de muchos colores me gustan a mí.
Y por eso los grandes amores de muchos colores me gustan a mí.

2. De colores, sí, de blanco y negro y rojo, y azul y castaño.
Son colores, son colores de gente que ríe, y estrecha la mano.
Son colores, son colores de gente que sabe de la libertad.
3. De colores, de colores son esos paisajes que visten la aurora.
De colores, de colores son las maravillas que el sol atesora.
De colores, de colores es el arco iris que vemos lucir.

All the colors, when the sunlight shines out through a rift in the cloud and it showers
All the colors, as a rainbow appears when a storm cloud is touched by the sun.

All the colors abound for the whole world around and for ev'ryone under the sun.

All the colors, yes the colors of pennants and streamers and plumes and bandannas.
All the colors, yes the colors of people now taking their place in the sun.
